### from the DESK of CHIEF PATRON

CM Memorial Centre is an active educational and charitable Islamic organization which strives to empower socially and economically backward Muslim community and educate them according to the need of time. It thrives to build moral values and social responsibilities along with a general education. C M Centre was established in the year 1991 and more than 5000 students now get benefits from its different educational institutions. Currently we established more than fifteen institution and projects including Orphanage and Destitute home, Shareeath College, Higher education institute, Arts and Science College, Industrial training centre, Boarding Madrassa, English medium school and schools with state syllabus.

With immense pleasure we introduce another venture, Integrated Foundation for Education and Research (IFER). It is a joint venture with alumni members of CM Centre who are placed in reputed positions at different credentials of life. I feel content for this effort by young generation. IFER offer optimum opportunities for the privileged ones, deprived of economic scaffold.

CM Centre is indebted to large number of philanthropist for showering their great kind in the form of material help. We truly remember everyone with gratitude and expect that you would be with us on our march towards future.

### IFER

Integrated Foundation for Education and Research is a venture by the alumni of C.M Memorial Centre that imprinted an exceptional presence by its service to the society. IFER spring up to identify the distorted trends in education and bring forth effective remedy to it. The educational institutions must thrive to instill sacred virtues in the students and develop a constructive and creative social environment. IFER intense to facilitate quality education opportunities to the marginalised ones in the society. We hope to awake a new spirit in education.
